This letter is to confirm that we will be pleased to accept your invitation to participate in the XRAY game to be conducted in the latter part of January. Two of the participants will be from the Office of Strategic Research - [redacted] I will be the third and will serve as team captain. [redacted] will be the political and military members and I the technically oriented member, with support from our S&T people.

As you know, I had hoped to observe and participate at [redacted]. Unfortunately it will not be possible to do so at this time; perhaps at a later playing of the game?

Best regards.

Sincerely,
